

You're invited to submit a disruptive idea and speak at DisruptHR, starting the conversation towards transforming workplaces!

CALL FOR SPEAKERS!!

**Are you tired of the same old approach to Human Resources?
Are you ready to start talking about talent in a whole new way?
DisruptHR is for YOU!**

What is it?

DisruptHR is a night of short, focused talks from professionals who want to share their ideas on how we can move our talent thinking forward.

We're looking for business leaders, HR professionals and CEOs running businesses in creative and innovative ways to share ground-breaking ideas and disruptive stories.

Disrupt talks are attended by C-suite leaders, technologists, managers, and yes, even a few HR professionals.

What do I do?

Teach us something, but make it quick. It's 20 slides × 15 seconds each = 5 minutes. That's it!

Disrupt HR speakers are encouraged to shake things up, make people think differently, and leave everyone inspired.

Give a disruptive, focused and mind blowing presentation on topics relevant to the human experience in the workplace. Think the brilliance of TED talks, with a pinch of energy and a dash of talent thrown in.
